## NOTE FROM FATHER...

You are beloved! Well, I have officially been here a month! I often tell freshman that the goal of their first finals week is to survive and pass...so far, I think I've survived and passed.

These are interesting times with CoVid, masks and all. But as I said last weekend, God is teaching us many things. Please keep praying and thinking about what God is speaking to you.

Our Gospel this weekend is the feeding of the 5,000. It has a powerful meaning – Jesus will feed us the true bread from heaven: the Eucharist. The Bible often speaks of our spiritual hunger and thirst. Isaiah says, "All you who are thirsty, come to the water." It is good for us to be aware of how much we want God. Sometimes we want it so much it actually hurts, doesn't it! Don't get too caught up in the news media and fears about CoVid and masks. We must be prudent and safe, but never afraid. Jesus takes care of the crowd, and He will take care of us. Nothing can separate us from the Love of Christ, not even a pandemic! God knows our deepest need is not physical but spiritual. We often forget this – we focus so much on going to doctors and physical health, but our spiritual need is much more important than our bodily needs. We need the Eucharist! If you remember when the Bishops decided we were going back to Mass (even against the Governor's orders): they said it was because the Eucharist is essential to us as Catholics. We have a spiritual hunger. We will die spiritually if we do not eat spiritual food! The Eucharist is the Real Presence of Jesus – it is not bread: it is His Body and Blood. So if you can come, please come to Mass: Sundays or daily Mass. I am hoping that soon we will start bringing communion to those who cannot come. If this is something you would like, please call the office and we'll start making a list. My first job is to bring you Jesus in the Sacraments. I am glad to be your priest in this time. God bless you all – you are beloved!

## PARISH PRAYERS INTENSIONS

Fr. Craig is looking for people who would be willing to begin praying daily for our parishes. He isn't sure what these teams will fully look like but if you are willing to begin offering prayers daily for Fr. Craig's specific intentions, please contact Mary Grack ([mary.grack@churchofstpeter.org](mailto:mary.grack@churchofstpeter.org)) to let her know you are interested.

# JOHN IRELAND SCHOOL SEEKING VOLUNTEERS

School Year 2020-2021

During these uncertain times, our school needs a couple volunteers who can help teachers and students on a consistent basis. Students need some sense of normalcy. Routines and consistency provide that for them.

Volunteers must be Virtus trained or willing to complete training.

If you are interested in helping in the classrooms or would like more information, please contact Colleen at [colleen.wenner@johnirelandschool.org](mailto:colleen.wenner@johnirelandschool.org).

## SUBSTITUTE TEACHERS NEEDED

2020-2021

During this current pandemic, we understand not everyone is comfortable being in a classroom with students. We do have small classes and will be following all health and safety guidelines. If you are interested in being on our sub list for the upcoming school year, please email Colleen at [colleen.wenner@johnirelandschool.org](mailto:colleen.wenner@johnirelandschool.org) or call the school 507-931-2810. Praying for a healthy and successful school year!
