

APOSTLES PETER AND PAUL CATHOLIC AREA FAITH COMMUNITY

WELCOME AND BLESSINGS TO ALL WHO ENTER OUR CHURCHES!

JUNE 21, 2020 12TH SUNDAY OF ORDINARY TIME

Happy Father's Day. Father's Day is a day for every father to reflect on his father's legacy and his own. Both parents have important roles in a family. Children grow up best in a two-parent home. The father's role in a family is important in many ways. One of the most important efforts of a father is to be a spiritual strength for the family, his wife and for the children. According to research, 56% of children whose relationship with their father is "warm and close" will share his depth of religious commitment.

Dads are a work in progress, as all of us are. According to the journal, "Population Studies" only 2% of children whose fathers do not practice the faith will end up practicing the faith themselves. Many studies highlight the influence that mothers have in many areas, research points to a definite edge that dads have on their children's religious practice. If dad disengage from faith, their children will likely dismiss faith as something important in life. Fathers have much influence for their children in many areas of life and at all ages.

Lord, we ask your special blessing for all our fathers, living and deceased.

WELCOME!
