

Questions/Answers ask about the Roof Project

What is the building fund going towards? Does that go towards the roof?

A: Currently the building fund goes towards paying the Rectory Loan. It will not go towards the roof.

Is there other damage to the roof because of leaks?

A: Yes, we will not know the extent of damages until we start removing the shingles.

What year were the shingles put on?

A: 1999

Has there been an insurance claim submitted?

A: Yes, there was in 2007. The funds received for the claim was put towards sealing down the shingles

Had we ever contacted the manufacturer of the shingles to determine what the warranty was at the time of purchase and does any time exist that we could utilize for financial reimbursement?

A: Yes, back in 2007 we got a settlement from manufacturer and insurance. The money was used to repair the shingles at that time. We are not able to receive any more funds from manufacturer or insurance for our current issues.

How long has it been since the Church of St. Peter updated and validated its membership records?

A: It is being updated weekly to monthly with our diocesan census.

Once you start, how long do you think it will take?

A: 5 Months
