

Mrs. Nissen's

CLASSROOM CONNECTION

OCTOBER 26TH

Announcements

As we continue into even colder weather, make sure your student has appropriate clothing for the temperature. I am accepting donations of extra hats/ gloves/ mittens (even snow pants and boots) for students who forget theirs and need something warm.

Important Dates

October 27th- Trunk or Treat

November 2nd- End of the first quarter

November 5th- NO SCHOOL

November 9th- report cards come home

What We are Learning

Language Arts: We worked on the WH digraph this week and the tricky WH question words. We decorated pumpkin monsters then wrote answers to WH questions about them.

Math: We continued practicing double facts this week. Students are doing pretty well on the 1-5 facts but some still need a little practice on 6-10.

Science: We finished our dental health unit last week and started a unit on Matter. This week we learned about solids and how we can use properties to describe solids.

Religion: We have been focusing on the Rosary during our prayer time in October and had Mary Grack come in to teach us more about the Rosary. She even brought special blessed rosaries from the vatican for every student.
