

# Mrs. Nissen's

## CLASSROOM CONNECTION

JANUARY 17TH

### Announcements

We are starting to look ahead to Luck of the Irish already! If you have an idea for a class project for the auction or would like to organize it, please let me know. Also, look for the field trip form coming home in Friday folders today. We are going to a play in the cities based on a Cinderella story from Africa.

### Important Dates

Jan 21- NO SCHOOL

Jan 27- JI Mass/ breakfast/  
bookfair for Catholic schools week

Feb 1st- Field trip to Mufaro's  
Daughters

### What We are Learning

Language Arts: We learned about the "sneaky e" this week. It is the silent e that sneaks up at the end of the word and scares the vowel into saying its name.

Math: We practiced counting by fives this week with tally marks and started adding two digit numbers using dimes and pennies. We also took the FAST math assessment this week.

Science: We continued our unit on force and motion with a day learning about gravity by making twirly birds and an experiment about friction using ramps and cars.

Religion: We are talking about the bible and some of the stories we find in the old and new testament. We read the parable of the lost sheep then sequenced and retold it using little pictures.
