CLASSROOM CONNECTION

FEBRUARY 22ND

Announcements

Thank you for helping your student be responsible and bring their homework back completed every day. This is a great time to develop that routine. Make sure you are also including the routine of reading 20 mins every night. Practice is the best way to help your child succeed in reading! It makes a huge difference, so thanks!

What We are Learning

Language Arts: We learned more vowel digraphs this week and had spelling words with -ue, -ie, -ea, and -ee. These all follow the rule: When two vowels go walking, the first one does the talking

Math: We had the 100th day of school this week so we got a chance to do lots of 100 counting! We made a snack with 100 pieces, filled in a 100 chart, wrote 100 words, did an art project with the digits in 100 and more!

Social: We learned about George Washington and Abraham Lincoln and made a mini book to celebrate President's day

Religion: We did not get a chance to do our prayer service on Wednesday because of the snow, but I'm sure your first grader would love to tell you about the five finger prayer and how it helps us pray for others needs before our own..
